

Barkisland CE (VA) Primary School

Sports Funding Report 2022-2023

At Barkisland CE VA Primary School, we recognise the contribution of PE to the health and well-being of our children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

What is the Sports Premium?

The government is providing funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. This year, we have received £17,650. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. The sports premium money should be spent to secure improvements in the following five key indicators:

Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

Profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:

- actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching

Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils

Broader experience of a range of sports and activities offered to all pupils, for example by:

- introducing a new range of sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sports and physical activities and clubs
- providing more and broadening the variety of extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations.

Increased participation in competitive sport, for example by:

- increasing and actively encouraging pupils' participation in the School Games.
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations

Spending	Cost	Notes:
Installation of climbing / traversing wall on the container unit	£500	For installation.
Additional resources for PE equipment	£4215	New PE equipment for the new scheme
Get Set 4 PE Scheme (1 year subscription)	£550	Purchased a one year deal before we commit to a longer subscription.
