

Reception Settling in survey 2023-2024

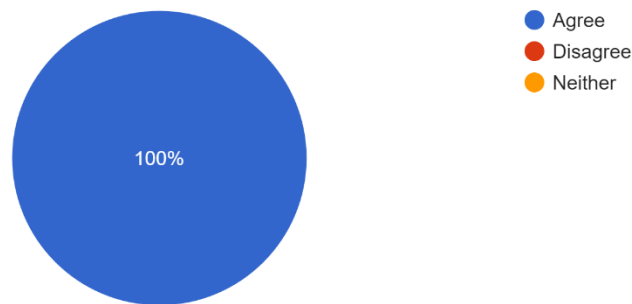

Why did you choose Barkisland CE VA Primary School as a choice for your child?

The communication we received from the school once a place had been confirmed gave us enough information about the transition process

Communication home is always informative.

He already attended nursery so we didn't really need much info, but being in the nursery helped the transition

Communication has been extremely thorough from Securing a place through to starting school and beyond

The Information Evening (held in June) gave us enough information about school life and starting school.

The Transition Day helped my child become familiar with their teachers

Having a buddy has been amazing for **Lottie**. It gave her a familiar face daily and always had a 'go to person'.

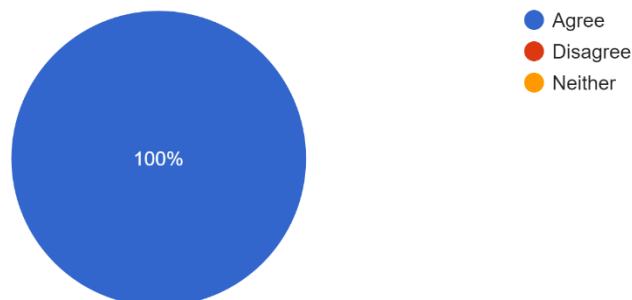

Etta already in nursery

Henry was already at nursery

Not really applicable as she knew the teachers from attending nursery

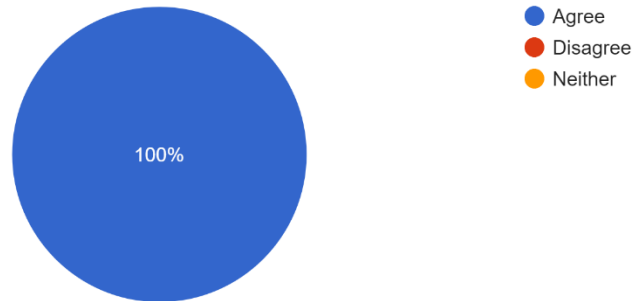

I feel that I had enough information to support my child when starting Reception

Starting school full time in September enabled my child to settle in well into the school routine.

Much prefer full time in reception from the start. Due to Stanley being in nursery the transition was really smooth

I feel that the Early Years Unit staff know my child well

Fantastic teachers.

Arthur loves all of the EYFS staff. They have such a lovely relationship with the children

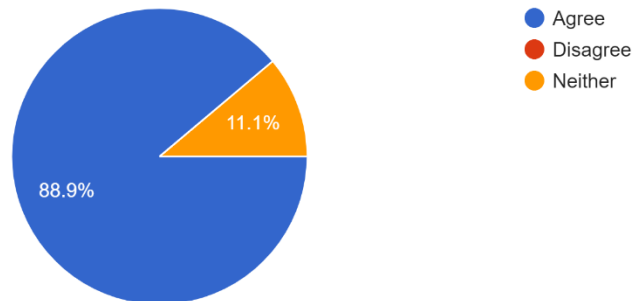

I found it easy to approach school staff with my concerns.

Arthur loves the interaction that he has had with his year 6 buddy. I think having an older child looking out for him has really helped him to settle. He also loves playing with the year 6 befrienders at lunchtime

My child has made friends at school.

All staff and children who attend the school are so friendly and kind helping my child to settle in well. Thank you to all of you for being so lovely.

Arthur loves seeing Mrs Schofield or Mr Ashworth on the school gates before/after school. It is lovely that they are there to wish us good morning/good bye and make his little sister feel welcome too!

The new starters visit from Reverend Stephen made my child feel part of the church community.

The welcoming service was such a beautiful way to help my child feel part of the church community.

Arthur was extremely excited to receive his bible

Overall, starting school has been a positive experience for my child.

We are really happy with the transition from nursery to reception. Staff have been great and we have been able to speak to them on the door or we have arranged a meeting. reception.

We have been overwhelmed with how rapidly **Arthur** has made progress since he has started school. It is lovely listening to him read his reading books at home. He is also keen to write, something he wasn't really able to do prior to starting school

Are there any areas in which you feel we can improve on? 4 responses

No

None

No. We are extremely happy with the school and pleased that we managed to get a place for **Arthur** we know that he is going to be very happy here. He was very proud to receive a core value badge and his first merit certificate, it was lovely to see these achievements in assembly. Thank you team Barkisland for all that you do.

If possible, share the invite for merit assembly on a Friday earlier. Sometimes I have already left work when I am informed [redacted] has received a merit and it makes it difficult to organise cover to attend.
