

BARKISLAND KIDS CLUB

PROSPECTUS
2024-25

WELCOME!

Barkisland Kids Club is a cool place to come and hang out with friends before and after school.

The club provides children with a breakfast club and after school childcare for children aged 3 to 11 years and provides a multitude of activities that aid children's development through play..

We also have a very popular and successful Holiday Club which is open to children from all schools in the local area.

KIDS CLUB

Our Kids Club runs before and after school providing expert childcare for the children of Barkisland Cof E Primary School.

We offer childcare for pupils from EYFS, KS1 and KS2 and also provide wrap around care for nursery children who attend our Little Lambs nursery provision.

HOLIDAY CLUB

Our Holiday Club is a very successful childcare provision, not only for the children of Barkisland School, but also for children from other schools in the wider local community. We offer this every school holiday with some fantastic activities for children to take part in

GROUPS & ACTIVITIES

Kids Club is run in two groups - EYFS and Year 1 children are based in the EYFS unit with specialist EYFS trained staff, whilst Years 2-6 are based in the Sutton Hall. This allows for a more tailored provision and activities for different age groups. We also have the opportunity to come together and work collaboratively which everyone enjoys!

We offer a wide variety of activities including crafts, board games, a wide variety of toys, pool table, table football, table tennis and we are also lucky to have the use of all the school's outdoor facilities and equipment including running track, MUGA area, trim trail and a large school field.

£27.50 per day

WHAT WE OFFER

Holiday Club runs every school holiday. Each week we plan exciting and fun activities based around a theme. We also provide continuous provision for children to play and craft.

We offer breakfast in the morning and a snack in the afternoon but we do ask that parents provide a healthy packed lunch.

We get outside as much as we can in Holiday Club (depending on the weather!). We plan sports activities everyday including football, basketball, archery and more..

When we have the space available, we offer activities such as Nerf and laser tag.
